

Job Seeker Accelerator

The Tools You Need as a Career Service Professional

Whether you are assisting people in entering or re-entering the workforce, shoring up skills to keep people moving forward or working with special populations, Dynamic Works Institute has easy-to-follow targeted roadmaps of virtual training courses that will make your clients more successful in obtaining and retaining successful employment. Let us help you find the right mix of classes for your needs and put together a package that makes sense for your budget.

Clearly defined job seeker accelerator roadmaps

With over 20 years of workforce development and learning management Dynamic Works Institute has package courses to meet specific client needs. Job seeker accelerator roadmaps are available for:

- First-time Job Seekers
- Displaced Workers
- Workers with Disabilities
- Veterans
- Justice System Youth

All the tools you need to be successful

Dynamic Works Institute can build you customized specific courses to meet your specific requirements or package currently published learning tools into accelerated learning roadmaps. As a service provider you have access to a complete set of learning resources including:

- Activity Guides for most courses for both group and individual programming
- Subscription-based packages with unlimited use
- “Day-in-the-Life” career reviews
- Live On-line interactive Webinars
- One-on-One Live Coaching
- Over 200 published on-line courses to choose from
- Tracking and reporting of your client’s progress

Help your clients get the learning resources and guides they need to land that new job.

Build Your Center’s Capabilities with Unlimited Use Learning Programs

1. Full access to over 160 Five Minute Accelerated Courses on critical topic areas for job seekers
2. Full access to the virtual library of ten in-demand industries including reviews of the “day-in-the-life” within each profession and “on-the-job” basic terminology
3. GoGuide Career Path program for group workshops and individual instruction
