

Summer Earn and Learn Programs

Preemployment work readiness courses for virtual and facilitated sessions

Helping those with different abilities navigate the world of work.

Complete Facilitator Training & Marketing Kit

For most of us, work brings a sense of dignity, pride and value to our lives. But for those of different abilities, there can be barriers to getting the work opportunities they aspire.

Dynamic Works realizes the specific needs for **ALL** abilities and created the Virtual Summer Earn and Learn (**SEAL**) program, Dynamic Possibilities, to give your young adults the pre-employment work readiness and transferable skills they need for **SUCCESS**. The complete training kit includes:

- **9 Interactive eLearning modules** specifically designed to prepare those with different abilities for summer work
- **Completely Scripted Activity Guides** included to help job coaches with facilitating group or individual workshops
- **Reinforcement tools and resources** to expand and solidify the learning experience
- **Marketing materials** including flyers, mailers and social media posts to get the message out

eLearning course content includes:

Navigating the disclosure process: While disclosure can be difficult, being open with a potential employer makes an individual more likely to get what they need to succeed.

Self-advocacy and accommodations: Asking for accommodations for a disability, especially in an interview, can be a daunting task. Where do you start? What do you say?

Recognizing the unique you: We all have different strengths and abilities! This module helps you accept yourself for who you are and what skills you bring to the team.

Self-awareness quest: In this gamified module, you can select and name an avatar and collect tokens as you learn about self-awareness, self-management, social awareness and relationship management!

Journey through workforce: This gamified module allows you to collect tokens in the Dynamic One Stop as you navigate the services offered!

DYNAMIC POSSIBILITIES

Strength-based approaches: Learn how strength-based mindsets and approaches can help dictate our career path, and drastically improve your chances of employment.

Interpreting job postings: Navigate the sometimes-crazy world of job postings to uncover the job openings best suited to you.

Creating your career vision: Create your job vision first, then look through job openings, This will help ensure a position that you truly enjoy.

Self-care: Self-care takes time and lots of self-reflection. The better you know yourself, the easier this becomes. Look at these scenarios and learn more about self-care practices.

Pricing: \$1,295 for complete facilitator training and marketing kit
(Includes unlimited usage, reproduction and distribution of all worksheets and guides)
